

REMARKS

Applicant respectfully requests entry of the above amendments to the claims for the purpose of bringing the current application into better condition for examination and for allowance. The amendment to claim 10 is made to include a sequence already listed in the Sequence Listing on file. The claim listing is also corrected to meet spacing requirements.

According to Applicant's calculations, there should not be any additional fees incurred for the addition of new claims.

The amendments presented herein, are intended to place the current application in a better form for the determination of patentability and for allowance. In the event there are any questions, please contact the Attorney for Applicant as listed below. In the event of any miscalculations for fees, the Commissioner is authorized to deduct/refund any amounts necessary from Deposit Account No: 50-3748 (CRYA,025/cip).

Respectfully submitted,
